Dear Sir or Madam:

**INVITATION TO PARTICIPATE IN THE BORNEO YOUTH LEADERSHIP
CONFERENCE 2016**

On behalf of the Borneo Youth Leadership Conference 2016 (BYLC), I Hazwani Jamaludin, Organizing Chairperson, is pleased to extend an invitation to students from your institute to participate in this year's event. Details of the conference are as follows,

Date: 25th July 2016 – 30th July 2016
Venue: Curtin University Sarawak, Malaysia
Theme: Empowering the Millennial Mind

BYLC is a unique, life-changing experience for young leaders who attend each year. It attracts youths from all around the world and introduces younger generations to successful and inspirational personalities. During this six-day conference, delegates are challenged to learn, develop, and practice leadership skills that can be applied in their daily lives. Also, it provides students with the opportunity to test their leadership abilities in simulated scenarios and workshops. The ultimate goal of the conference is to motivate the youth to pursue their dreams and goals with a renewed sense of belief and determination by meeting and engaging with BYLC's distinguished and reputable speakers.

The theme for this year conference is "*Empowering the Millennial Mind*", which focuses on the millennial generation development. Generation Y were born between 1980s and 2000; they present a unique and exciting leadership challenge. Indisputably bright and talented, they think differently, have unique needs, and require new management styles.
