

TITLE OF THE COURSE:	German, A2
Course code:	VKL0312
Course group:	A
Faculty:	Institute of Foreign Languages
Study program:	-
Level:	<i>Bachelor's / Master's / PhD</i>
Semester:	<i>Autumn / Spring</i>
ECTS credits:	6
Language of instruction	In the target language
Course lecturer/s:	J. Andriuškevičienė / T. Wodzinski
Short course description:	To develop communicative language competence which includes linguistic, pragmatic and sociolinguistic components through reception (listening and reading comprehension), production and interaction (speaking and writing) as well as mediation (translation) language skills at basic user elementary level (A2).
Course content:	The course introduces students with noun, adjective, numeral, preposition and rules of complex sentence structure and morphology. Students develop receptive and productive general and special skills and acquire socio-cultural communicative competence at the pre-intermediate level. The form of studies includes seminars, self-study tasks and work in SANAKO lab and virtual MOODLE environment (on-line work, synchronous and asynchronous conversations and discussion forums, interactive tests and exercises). After completing the level students will be able to express themselves in a variety of topics listed in the course plan, form and answer questions, establish social contacts, keep the conversation on the discussed topics, listen to and understand an interlocutor, describe themselves and their family members in the written form, make a comparison between the two cultures orally and in writing, read adapted texts, grasp the main idea of the

	text, retell the gist of the text using not complicated language.
Learning outcomes:	The proficiency level (C1/C2).
Grading and evaluating student work in class and/or at the final exam:	Colloquium - 20 %, final examination - 30%, class work - 50 %.
