Everyone knows that international exchange is an endless source of fun stories, so share yours! Got lost in a new city, learned how to juggle swords, took a tram to the opposite direction than intended or ordered the wrong item from the menu because of miscommunication? Share a short story (*up to 100 words*) about your adventures on exchange or as a foreigner in Lithuania and a picture (loosely from that period), and the most liked story will get a great prize! We reserve to the right to award extra prizes, if we find more stories hilarious. Send your short stories to erasmus@vdu.lt

Deadline: October 13th, 2021
