Lithuanian language and culture course welcomes everyone

Have you ever thought to yourself, wouldn't it be nice to speak a language that only a handful of people on earth know? What is it like belonging to a community whose roots date back to the 10th century? If so, you are extremely lucky, because already this winter, Lithuanian language and culture course can open the door for you to be a part of it.

WHY US AND WHAT WE OFFER?

Diversity – summer course has welcomed people from more than 30 countries across the globe.

Top of the line professors – years of experience using the most effective techniques of transmitting knowledge into our student minds.

One of a kind programme – diverse, engaging sociocultural lectures set to remove barriers between countries, looking at the geopolitical context from Lithuanian perspective. Excursions, craft sessions, art galleries, artistic performances, movies, history classes – you name it.

Family ambiance – most of our students attend the course more than once – they always come back. Our staff cares to create a warm atmosphere where students are encouraged to communicate and help each other
