

T4EU FESTIVAL OF EUROPEAN CULTURE

Transform4Europe invites you to participate in the T4EU Festival of European Culture, which will be held on **24–28th April 2023 at the University of Silesia**.

With the event taking place in two different cities, the visitors will not only be able to feel the atmosphere of an urban city of Katowice and a cross-border city of Cieszyn, but they will also get a taste of Silesia region and Cieszyn Land. In addition to that, they will get a chance to experience various forms of artistic creativity in a wide range of workshops that have been prepared.

Over the next 5 days, we invite you to take part in a variety of **Filmmaking Workshops** at the K. Kieslowski Film School in Katowice:

- Introduction to filmmaking – working with an actor in the film studio;
- Color Grading – Creating a Unique Visual Look;
- Film Camera Operating – Creative Movement;
- Photography & art of new media;
- Advertisement photography workshop;
- Polish film music – hearing the films;
- Awarded students' film screenings.

Music is a universal language that unites us across all cultural divides and differences. Having this in mind, the event will provide participants with many musical experiences as we are planning a **Grand Concert** in the Concert Hall of the Academy of Music in Katowice, where, among others, international ensembles of the alliance partners will have a performance. The ANTHEM of *Transform4Europe* will have its premiere.

The Faculty of Arts and Educational Science invites you to come to Cieszyn to participate in **Art Workshops** that will capture your imagination and stimulate creativity.
