

APPLY FOR **TRANSFORM4EUROPE** PROFESSIONAL DEVELOPMENT TRAINING

The **Transform4Europe** Alliance has developed various innovative training materials as short online training units (webinars). The training sessions will take place from March to June 2023. The webinars will cater to and foster various skills – Innovative Teaching, Intercultural Communication, Digital Storytelling, Time and Project Management, etc. – that may be of use for every academic or/and non-academic staff member from across the Alliance.

We encourage you to take advantage of this opportunity and register to the webinars to further develop your competences. The list of available webinars in April and registration forms can be found below. The registration for upcoming trainings will be announced soon.

Webinars for Academic and Non-Academic Staff in April:

Webinar title	Target Audience	Lecturer	Date/Time
<p>Time management for an effective and stress-free life. In this seminar you will learn how to plan time while working remotely from home or in interactive teams, how to maintain the best efficiency and focus during the day, identify time thieves and neutralize them. You will learn about methods and strategies that work best while interacting with people.</p>	Academic and Non-Academic Staff	Danguolė Kraskauskienė is a Leadership Coach. She has worked in the leadership area for more than 8 years. As a business woman and university lecturer, she has personally implemented all the methods she shares in this seminar. (Vytautas Magnus university)	April 5, 12:00–16:00 CET (MS Teams). Apply here.
<p>Teaching for action: Changing attitudes to promote the Sustainable Development Goals through challenge-based teaching. The economic development model based on the massive exploitation of natural resources has led us to a global emergency. Under this scenario, we propose a webinar using a methodology based on a problem-solving project to learn and change attitudes about responsible consumption and environmental sustainability, studying the mobile phone cycle.</p>	Academic and Non-Academic Staff	Associate Professor Asuncion Menargues Marcilla (University of Alicante) – has been teaching Education for Sustainability for pre-service teachers for 11 years. She has developed a service-learning project of international cooperation.	April 18, 9:00–13:00 CET (MS Teams). Apply here.
<p>Workplace Writing (English Language) – introduce participants to the basic principles of workplace writing and to develop their skills and confidence in planning, researching, drafting and editing workplace documents (business letters, emails, project proposals, reports etc.). The webinar focuses on various strategies for composing concise, targeted and productive messages that accomplish business objectives. Particular attention is paid to tips and techniques for employing structure, format, and layout.</p>	Non-Academic Staff	Lika Pishtalova is an assistant professor at the Department of English and American Studies (at Sofia University St. Kliment Ohridski).
