

## VMU Graduate Ignas Bielevičius Nominal Scholarship

The founder and patron of the **Ignas Bielevičius Scholarship** are Vytautas Magnus University graduate of the Faculty of Informatics (IF) Ignas Bielevičius who graduated with a bachelor's degree in 2009, who is currently engaged in activities that combine information technology and financial markets.

The purpose of this scholarship is **to financially encourage students for their successful study results and active scientific and/or social activities.**

Applicants wishing to receive Mr. Ignas Bielevičius nominal scholarship must meet the **following criteria:**

- they must be **a student of 2<sup>nd</sup> or higher year** of the first cycle of studies and/or integrated studies in the form of full-time studies
- the total **grades average** must be **not lower than 8,000 (eight)**
- **during studies** at the university students must **actively participate in scientific, social and/or public activities** within and outside of the university

The amount of one single nominal **scholarship is 500 EUR**. The decision to award a scholarship will be made by the founder of the scholarship. Nominal scholarships will be awarded by the end of the calendar year.

**To apply for the Ignas Bielevičius nominal scholarship, students must fill online application form on the VMU Student Portal from November till December of the current academic year. Information about the competition is available on the VMU website.** Candidate(s) to be selected by the founder of the scholarship, be personally informed of the conditions and deadlines for the award of the scholarship for the current year at the end of the year.

**IMPORTANT: The scholarship is not open to laureates of the scholarship.**
