UAB „Grant Thornton Baltic“

Justina Steponavičienė

justina.keraiyte-steponaviciene@lt.gt.com

+37061683364

About

Established in 1992, Grant Thornton Baltic is one of the leading pan-Baltic providers of audit, outsourcing, tax, legal and business advisory services owned by local partners. Today 15 partners and 200 experienced specialists offer full range of services to more than 2600 clients. We have six offices covering all three Baltic States – Vilnius, Kaunas, Klaipeda in Lithuania, Riga office in Latvia, and in Estonia we have offices in Tallinn and Tartu. Many of our clients use our services in all three countries. In more than 25 years of experience we have grown from a small audit company to a 7 million EUR turnover business that ranks 5th on the pan-Baltic market (5th in Lithuanian market) and has significant experience in a wide range of sectors.

UAB „Ruptela“

Gabriele Kasteckaite

gabriele.kasteckaite@ruptela.com

+37063880384

About

We are Ruptela, a global telematics company that develops high-quality GPS tracking devices.

As a customer-centric company, we focus on reducing customers' efforts by accelerating ease of use, prediction, and automation. We believe that this is the main path towards our vision – to power up the most efficient use of transport for a sustainable world.

Our journey started in 2007. Since then, we have grown from a local startup of 3 people to a global team of over 150 people, developing quality devices in-house working with clients in more than 120 countries in Europe, Asia, the Middle East, Africa, North America, and Latin America. Currently, Ruptela is part of the holding – Ruptela Group.

To be closer to our customers, Ruptela HQ is in Lithuania, and we have offices in the UAE and Mexico. Also, our global teams are located in Africa, Asia, and Brazil.
